Quality Service Straight From The Manufacturer, Guaranteed!

Prevent and Protect

With over 70 years of humidification expertise, Condair understands the critical role your system plays in creating healthy, efficient environments.

Just like any high-performing equipment, your humidifier needs regular care to stay reliable and efficient year-round. That's why we offer three tiers of Preventive Maintenance Packages to suit your facility's unique needs.

- ▶ **Condair Plus** – Core package for all service needs.
- ▶ **Condair Professional** – Package of choice for peace of mind.
- ▶ **Condair Premium** – Top performance for extended periods.

Whether you're looking for scheduled maintenance or full-service peace of mind, each plan delivers proactive care that helps you minimize downtime, extend equipment's lifespan, reduce emergency repair costs, and ensure compliance with manufacturer recommendations.

Our certified technicians provide expert service, system training, and performance optimization—all backed by Condair's trusted reputation and unmatched service network.

*Let's choose your level of protection
and let Condair
take care of the rest.*
